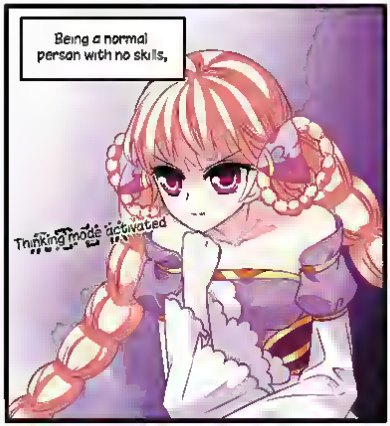
*tn note. sailor moon's catchphrase.



ts note: lmao the drill hair

All the money in this world is mine! Ohohoho!
I also never thought of monopolizing businesses, to call the wind and summon the rain.*

tn: chinese proverb of stirring up trouble.

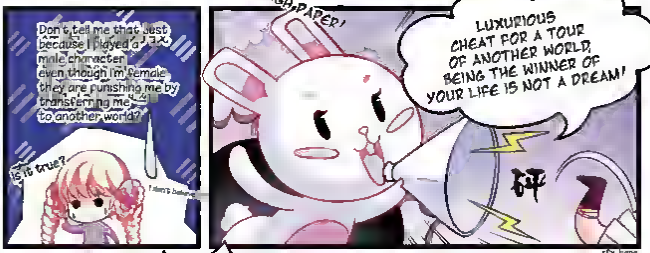
pf note: what does it mean to break through paper haha



Don't tell me that just because I played a female character even though I'm female, they are punishing me by transferring me to another world?
Is it true?
I don't believe it!
LUXURIOUS CHEAT FOR A TOUR OF ANOTHER WORLD, BEING THE WINNER OF YOUR LIFE IS NOT A DREAM!
BAM

Even though there is a prohibition in the Forbidden Deep Chamber, they still tell us to guard this place, without sleeping a wink...
Exactly! I've had enough of receiving cold-eyes from Shi Mei because of this arduous and thankless assignment.
Even if I want to release Han Shi Xiong, this is the Master's order...
I don't understand, why would Han Shi Xiong save that useless blonde girl,
Demon beast?!
She's a mere mortal, her value can't even compare to a Level 1 demon beast.
Who knows?
Do you think Han Shi Xiong can survive?
Even if he made it through the nine-nine-eighty-one* whips, the Devouring Spirit Lock in the Forbidden Deep Chamber is not a joke.
It's hard to say, no matter how talented he is, with injuries upon injuries, it would be fraught with grim possibilities...

*Yi in Chinese culture: they like to have it be 9 times 9 equals 81 so they say 9-9-81.

He was severely injured when he returned from the Hundred Beasts Valley and he still need to receive the punishment for failing his mission!
Enduring 81 lashes of Bone Crushing Soul Breaking Whip and was locked away in the Punishment Dark Chamber for seven days and seven nights, he now has come the brink of life and death!
With his life upon it's end, it would be thought with grim relish to be

ts note: sorry, i couldn't replicate the glow effect so i just left it like that.
